

CARE for Canoe members

Appliance supply and delivery under the Canoe Procurement Group contract

One call. Supplied, delivered, installed, hauled away, recycled.

CARE moves, installs and upgrades what goes into Canadian homes. One accountable team from the warehouse to the doorstep to the final walkthrough. Canoe Procurement Group members can now buy appliances and delivery services from CARE at pre-negotiated contract terms, with no separate RFP required.

Contract at a glance

Contract number: CAN-2026-004-CAR Category: Residential Appliances

Contract name: Supply of Residential Appliances and Related Services

Level 1 (Ontario): full turnkey service. Level 2 (AB, BC, MB, SK, NS, NB, PE): appliance supply and delivery with manufacturer support (GE/Mabe today, more partners being added) where postal-code delivery coverage applies.

What members get

- Major kitchen and laundry brands. Refrigeration, cooking, dishwashers, washers and dryers under the Canoe contract.
- Installation and testing. Connected, levelled, tested and explained before we leave.
- White glove option. Floor and doorway protection, packaging removed, room left tidy.
- Seven more provinces. Appliance supply and delivery in AB, BC, MB, SK, NS, NB and PE with manufacturer support (Level 2).
- Signed delivery confirmation. Proof of delivery and installation for your records.
- Scheduled delivery to the room. Booked windows, protected transport, unit brought to the room it belongs in.
- Haul away and recycling. The old unit leaves with us and is recycled responsibly.
- Ontario turnkey. Supply, delivery, installation, haul away and recycling by CARE crews (Level 1).
- Live shipment tracking. Follow every shipment through CARE Logistics, a division of CARE.
- Bilingual service, one account manager. English and French from quote to walkthrough, with a named CARE contact.
